General Reference

Bartleby.com: Great Reference Books Online

Online access to general reference books such as *Roget's Thesaurus*, *The Elements of Style* and works on the history of literature, religion, mythology, anatomy, cooking and etiquette.

<http://www.bartleby.com/reference/>

The Chicago Manual of Style Online

The Chicago Manual is your guide to references, citations and formatting for your research papers. The Chicago style is commonly used in publishing. It is especially useful for journalism or history students. The website Quick Guide provides citation examples for books, articles, papers, websites and other formats. A copy of the Manual is available in the library for students.

<http://www.chicagomanualofstyle.org/home.html>

Citizendium

From one of the creators of Wikipedia, this open-source web encyclopedia has entries that undergo a more rigorous evaluation before they are posted by identifiable (rather than anonymous) individuals. Editors must demonstrate their expertise on a given subject before they are allowed to approve articles.

http://en.citizendium.org/wiki/Main_Page

Common Errors in English

A website devoted to frequently confused words such as *your* and *you're*.

<http://www.wsu.edu:8080/~brians/errors/errors.html>

Internet Public Library 2 - Websites You Can Trust

Search or browse over 20,000 websites that have been selected and vetted by librarians.

<http://www.ipl.org/index.html>

MLA Style - Modern Language Association

The MLA Style is the accepted style for formatting research papers in the humanities (literature, music or art, for example). The web site provides links to the two main guides to MLA for students. The MLA Handbook (7th ed.) is a useful manual for undergraduate students. Copies of the Manual are available in the library for student use.

<http://www.mla.org/style>

Publication Manual of the American Psychological Association

The APA manual is the style manual used by students of the social sciences (psychology, sociology and education). The APA site answers questions about using this style for research papers. Copies of the Manual are available in the library for student use.

<http://www.apastyle.org/>

The Purdue Online Writing Lab

The OWL includes guides to performing research, grammar, APA & MLA Style, English as a Second Language, writing for your job search and writing for business.

The American Society of Cinematographers

The ASC promotes the education of filmmaking students through workshops and student awards.

<http://www.theasc.com/>

Audio Engineering Society

The AES "encourages and disseminates new developments through annual technical meetings and exhibitions of professional equipment, and through its many publications including Convention Papers, Conference Proceedings, Tutorials, online publications and The Journal of the Audio Engineering Society".

<http://www.aes.org/>

Character Shop

The website for this special effects company contains an informative FX FAQ as well as a list of books, magazines and the names of suppliers.

<http://www.character-shop.com/>

ESTA – Entertainment Services and Technology Association

Provides resources for members of the entertainment technology industry including a job board.
<http://www.esta.org/>

SMPTE – Society of Motion Picture and Television Engineers
The Society promotes education, scientific advancement and communication between members through publications and conferences. It also presents student scholarships and awards.
<http://www.smpte.org>

Visual Products Online
VPO sells reconditioned film and video equipment.
<http://www.visualproducts.com>

Financial Aid

Federal Student Aid - U.S. Department of Education
Provides information and processes applications for federal student aid for college. A good place to start in your financial aid search.
<http://federalstudentaid.ed.gov/>

FinAid! The SmartStudent Guide to Financial Aid
Get information on the different kinds of financial aid available for college students.
<http://www.finaid.org/>

New York State Higher Education Services Corporation
Provides information for students and their families on applying for financial aid. It is the place to go for an electronic master promissory note.
<http://www.hesc.com/content.nsf/>

College.gov
Guide to searching and applying for scholarships and financial aid.
<http://www.college.gov/>

Health & Medicine

Alcohol - Problems and Solutions
A resource from the State University of New York at Potsdam with news and information on alcohol and alcohol abuse.
<http://www2.potsdam.edu/hansondj/>

Community Resource Database of Long Island
Provides a database of "12,000 Health, Human Service and Educational resources on Long Island".
<http://www.crdli.org>

Healthfinder
A free health resource from the U.S. Dept. of Health and Human Services. It includes an encyclopedia of over 1,600 health topics, health tips and a directory of health care centers and providers.
<http://www.healthfinder.gov/>

Hardin MD
The Hardin Library for Health Sciences has an A-Z index of conditions.
<http://www.lib.uiowa.edu/hardin/md>

New York Online Access to Health

In English and Spanish, this collection of resources written and vetted by health professionals and librarians features health topics and an A-Z index of health conditions.
<http://www.noah-health.org>

ADA.org: Oral Health Information

The American Dental Association provides resources in English and Spanish on oral health topics.
Recommended by 4 out of 5 dentists.

<http://www.ada.org/public/index.asp>

History

American Memory from the Library of Congress

“American Memory provides free and open access through the Internet to written and spoken words, sound recordings, still and moving images, prints, maps, and sheet music that document the American experience.”

<http://memory.loc.gov/ammem/index.html>

History Channel

Online guide to History Channel shows, videos, games and historical topics.

<http://www.historychannel.com/>

History News Network

HNN provides news, articles and blogs as well as books and videos useful in understanding how past events shape our present and future. A Student Shortcuts page provides help for students doing research with links to online encyclopedia and dictionaries as well as Chat with a Librarian at the Library of Congress.

<http://hnn.us/>

NARA – U.S. National Archives and Records Administration

The National Archives website features resources for genealogists and anyone tracing their family history through court, immigration and military service records. As a resource for teachers, there are links for viewing the Declaration of Independence, the Constitution plus information and lesson plans for teaching with documents.

<http://www.archives.gov/>

National Museum of American History

The mission of the National Museum is “the collection, care and study of objects that reflect the experience of the American people”. Among its collections are the Music and Musical Instruments Collection, home to four 18th-century Stradivari, Dizzy Gillespie’s B-flat Trumpet, Tito Puente’s autographed timbales, Prince’s Yellow Cloud guitar and the Duke Ellington Collection of photographs, sound recordings, and oral histories.

<http://americanhistory.si.edu>

100 Milestone Documents

Drawn from the holdings of the National Archives, these “are among the thousands of public laws, Supreme Court decisions, inaugural speeches, treaties, constitutional amendments, and other documents that have influenced the course of U.S. history”.

<http://www.ourdocuments.gov/content.php?page=milestone>

Literature

Academy of American Poets

Find essays, biographies and interviews of poets and over 2,500 poems.

<http://www.poets.org>

Electronic Poetry Center

EPC is a portal to electronic poetry at the University of Buffalo, the University of Pennsylvania's PennSound, UBU web and other poetry sites.

<http://wings.buffalo.edu/epc/>

Fiction

Free online versions of classic works from authors like Jane Austen and H.G. Wells.

<http://www.bartleby.com/fiction/>

Harvard Classics and Shelf of Fiction

Two online anthologies from Bartleby.com that "cover every major literary figure, philosopher, religion, folklore and historical subject through the twentieth century".

<http://www.bartleby.com/hc/>

Literary Resources on the Net

Provides links to literature and theatre/drama websites spanning Classical to the twentieth century.

<http://andromeda.rutgers.edu/~jlynch/Lit/>

Mr. William Shakespeare and the Internet

Links to resources on Shakespeare. It also includes timelines and a biography quiz.
