

SGA President's Desk

Five Towns College Student Body,

Thank you for visiting the Student Government Association website! I would like to encourage you to visit the rest of our site to learn how the various committees of the Student Government Association are working for you. We are honored to serve as the voice of the student body and as the liaison to faculty, administration and the Board of Trustees.

In SGA, our job is to not only make decisions regarding issues that arise each day, but also to accomplish the set of goals that we have set before you, the student body. We ask that you hold us accountable both for accomplishing those goals and especially for making responsible decisions on your behalf. To ensure that we make informed decisions for you, we want to hear your opinions on campus issues. Please contact any member of the SGA anytime through email, or to the SGA as a whole at FTCSGA@googlegroups.com and we will respond to you as soon as we are able.

I hope that after visiting our website, you become interested in being an active member of the SGA. There are countless ways for you to become involved, and I guarantee that you will find a place that works for you after exploring the senate, committee, and volunteer opportunities available to you.

Thank you again for visiting our site, and please feel free to email, call, or stop by the Office of Student Activities anytime!

Sincerely,

James Anderson
SGA President 2009-10
